SWEET POPS OF BRILLIANCE

By Craig Snyder

Location: East Roswell Park
Purchased by Roswell Arts Fund as a gift to the city in 2017

Happy, fun, and colorful, Sweet Pops of Brilliance springs from its platform at East Roswell Park. The vibrant circles cascade of steel bob up and down in the wind, playfully inviting you to come see them. Craig was inspired by his childhood for this piece. What could bring back memories of youth more than a rainbow of lollies in a beautiful park? He hopes that both adults and kids can have fun enjoying the art and experiencing what it's like to be young.

ArtAround Roswell, “a museum without walls”, is a Roswell Arts Fund project. Each year from April to March we bring temporary sculptures to Roswell and introduce the city to new art! In addition to the temporary sculptures ArtAround Roswell includes permanent sculptures which have been purchased from the previous tours. ArtAround Roswell is a partnership between the City of Roswell and Roswell Arts Fund who invite you to visit, explore, and enjoy the city through public art!
