### RIBBON BY LEWIS BODY

**Location:** Riverside Park, Don White Memorial Park

Proudly purchased by Bike Roswell, Roswell Magazine's 10 Under 40 class of 2019, The Northwood Foundation, Roswell Inc.

Inspired by the Chattahoochee River, Lewis Body created these bike racks with the flow of the water in mind. The ripples of Ribbon are like the winding path of the river itself and the motions of its water. Just like the Chatahoochee has embraced our community and helped to accelerate our prosperity, this piece of functional art provides a safe home for your bicycle when you have a chance to enjoy the sights at Riverside Park.

ArtAround Roswell, "a museum without walls", is a Roswell Arts Fund project. Each year from April to March we bring temporary sculptures to Roswell and introduce the city to new art! In addition to the temporary sculptures ArtAround Roswell includes permanent sculptures which have been purchased from the previous tours. ArtAround Roswell is a partnership between the City of Roswell and Roswell Arts Fund who invite you to visit, explore, and enjoy the city through public art!
