SENTIENCE BY DAVID KANDIS

**Location:** Heart of Canton

Purchased by Roswell Arts Fund 2017 with a grant from  
the Roswell Downtown Development Authority

Would you be a honey bee if there were flowers big as you and me? With Sentience, you'd have a bloom as big as most parents to make your honey from. This big, shining, silver bloom is a beautiful piece to represent Roswell's bouquet. Situated in the heart of Canton Street, this sculpture may appear completely sleek and smooth but you should always give art a closer look, which reveals detailed textures across the flower's petals.

ArtAround Roswell, "a museum without walls", is a Roswell Arts Fund project. Each year from April to March we bring temporary sculptures to Roswell and introduce the city to new art! In addition to the temporary sculptures ArtAround Roswell includes permanent sculptures which have been purchased from the previous tours. ArtAround Roswell is a partnership between the City of Roswell and Roswell Arts Fund who invite you to visit, explore, and enjoy the city through public art!
