Triangles are some of the strongest figures in architecture. Steady, shows off that strength with two long arms made of industrial steel beams and a colorful eye or "oculus" that asks the viewer to look out at their world with a sense of adventure.

When you walk in downtown Roswell past Steady, think of the city looking to its future and imagine how bright it might be

ArtAround Roswell, "a museum without walls", is a Roswell Arts Fund project. Each year from April to March we bring temporary sculptures to Roswell and introduce the city to new art! In addition to the temporary sculptures ArtAround Roswell includes permanent sculptures which have been purchased from the previous tours. ArtAround Roswell is a partnership between the City of Roswell and Roswell Arts Fund who invite you to visit, explore, and enjoy the city through public art!
