UNITY BY NATHAN PIERCE

Location: Northwood Elementary School

Proudly purchased by Bike Roswell, Roswell Magazine's 10 Under 40 class of 2019, The Northwood Foundation, Roswell Inc.

This metal family is welded together with bonds of love and steel! Nathan pierce made these figures with colorful windows of plexiglass throughout which cast rainbows on the ground around them as the sun passes over. The piece is inspired by Nathans own family and he even had his son, Rolf, weld his own name into one of the figures with the torch his father is teaching him to use. Does this remind you of your family?

ArtAround Roswell, "a museum without walls", is a Roswell Arts Fund project. Each year from April to March we bring temporary sculptures to Roswell and introduce the city to new art! In addition to the temporary sculptures ArtAround Roswell includes permanent sculptures which have been purchased from the previous tours. ArtAround Roswell is a partnership between the City of Roswell and Roswell Arts Fund who invite you to visit, explore, and enjoy the city through public art!
