The Arts Fund said it partnered with the Hagan Foundation and Getty Images Gallery to solicit photos from around the country on themes from the Roswell Public Art Master Plan: "We Are Our Colors," "We Are Our River" and "We Are Forward Thinking."

Some 30 to 40 images will be printed on 4-by-3-foot vinyl banner mesh material and displayed in East Village, on MARTA bus shelters, and in the area between City Hall and Canton Street.

“Exploration One: We Are Our Colors” opened Dec. 11 and runs through February in the East Village Shopping Center, 2640 Holcomb Bridge Road. Selected works will be offered for sale, with 70% of the proceeds going directly to the artists. Information: <https://bit.ly/3oHdBw1>
