PRESS RELEASE

For Immediate Release: August 4, 2021

**Part Three of Roswell in Print, “We Are Our River”
Open Along Roswell Riverwalk**

Launched in the fall of 2020, *Roswell in Print*, is a three-part outdoor photography Roswell Arts Fund initiative in partnership with the Hagan Family Foundation, Getty Images and the City of the Roswell to curate safe, unique and unexpected experiences in non-traditional spaces throughout the city.

Each exploration takes inspiration from the diverse characteristics that define the community of Roswell, GA: *Modern Spirit, Southern Soul*. Through an extensive public engagement process, we have come to understand that spirit by asking the people of Roswell who they are and what is important to their community. The unique elements that emerged from those conversations became the themes at the core of this photography exhibition.

In each exhibit - “We Are Our Colors”, “We Are Forward Thinking” and “We Are our River” - the visual storytellers featured span countries and generations. We hope that these photographs, inspired by Roswell’s essence, will convey a universal message of belonging, a welcoming sense of community that travels beyond our city limits and resonates with viewers near and far. **Prints of all images selected for exhibition are available for purchase on the Roswell Arts Fund website with 70 percent of the sale going to the artist.**

Roswell in Print is funded in part by the Hagan Family Foundation, Ardent/ECI, Instant Imprints, Aperture, Cimerron Properties, Lincoln Capital Advisors, Hagan Capital Group/HCG, Mosaic Management, LLC and Windsor Care and Rehab

**Roswell in Print, Exploration Three:
“We Are Our River”**

On Display Dates: Now – End of September 2021

Location: Along the Roswell Riverwalk (*Exhibit on display beginning at Azalea Dr Boardwalk Entrance*)

The third theme photographers were invited to explore was “We Are Our River”.

“Warm, reflective, bubbling, vigorous, meandering, life giving. Telling our story through artwork paints a picture that is lively, vivacious, leafy, and lush. If our city is a canvas for art, our history, physical surroundings, and the spirit of our people are the palette. “

- Public Art Master Plan, Roswell Arts Fund and the City of Roswell, 2017.

The images on display were selected from artists who submitted through an open Call For Entry led by Roswell Arts Fund’s Public Art Manager, Elan Buchen.
